8. RISK MANAGEMENT APPROACH

- 8.1. Our Club recognises the importance of a risk management approach to minimising the potential for child abuse or harm to occur and use this to inform our policy, procedures and activity planning. In addition to general occupational health and safety risks, we proactively identify and manage risks of abuse to our children. To reduce the risk of child abuse occurring, adults to whom this policy applies should avoid direct, unsupervised contact with children including when:
 - using change room facilities;
 - using accommodation or overnight stays;
 - travel; or
 - physical contact when coaching or managing children.

9. COMPLAINTS AND REPORTING

We will ensure Committee members, staff and volunteers are trained and supported to deal with allegations appropriately.
- 9.2. All child related concerns and complaints will be responded to in accordance with procedural fairness and the club will handle the allegations in a confidential and sensitive manner.

- 9.3. The Club has appointed a Child Safety Officer and Wellbeing Officers whose details are available on the Club's website, and displayed on posters at the Club house. Our reporting process is available on the website. We work to ensure all children, families, Committee members, and volunteers know what to do and who to tell if they observe abuse or are a victim, and if they notice inappropriate behaviour.
- 9.4. We all have a responsibility to report an allegation of abuse if we have a reasonable belief that an incident took place. If an adult has a reasonable belief that an incident has occurred then they must report the incident. Factors contributing to reasonable belief may include:
 - a child states they or someone they know has been abused (noting that sometimes the child may in fact be referring to themselves)

 - someone else has raised a suspicion of abuse but is unwilling to report it
 - observing suspicious behaviour.

- 9.8. If a concern or complaint includes an allegation or incident of child abuse or harm, Club staff and volunteers must report it in accordance the AFL Safeguarding Children and Young People Complaints Reporting Procedure.
- 9.9. Any Club staff member, board/committee member or volunteer who is the subject of a child or young person related concern or complaint may be requested to stand down from their position in the Club during an investigation, have their duties altered so they do not engage with children and young people and/or have their access to the Club's IT system/database removed.
- 9.10. Our Club will keep a register of any allegations regarding inappropriate conduct.

10. REPORTING SEXUAL ABUSE

- 10.1. If a person receives information that leads them to form a reasonable belief that a sexual offence has been committed, that person has a legal obligation to disclose that information to the Police as soon as it is practicable. Individuals who fail to comply with this obligation under the Crimes Act 1958 (Vic) may be subject to a penalty of imprisonment.
- 10.2. A number of professions in the community (including but not limited to teachers, nurses and doctors) are also required by law to report to Child Protection where they have formed a belief, on reasonable grounds, that a child is in need of protection because they have suffered (or are likely to suffer) significant harm due to physical or sexual abuse.
- 10.3. This report must be made as soon as practicable, and on any occasion where they become aware of other allegations and have reasonable grounds for belief.

11. POLICY BREACHES

- 11.1. It is a breach of this Policy for any person or organisation subject to this Policy to have been found to have done anything contrary to this Policy.
